ON PATROL

November 2005

From our president – Darren McLeod

Another season is about to commence, another summer by the sea.....we have a terrific group of members, a great clubhouse and a stunning view from the balcony overlooking Sandringham Yacht Club and Port Philip baywhere else would you want to be over summer!

Unfortunately, as with previous years, we are short on patrolling members. Aquatic safety being the core reason for the existence of the club, we need patrolling members to provide this service to the public.

If you know of any friends or family members that may be interested to join our patrol team, please bring them down to the club and let them share your experiences.

If there are any members that are not on the attached roster – that would like to be or, if you have not patrolled for a year or two... or any of our Nipper parents that would be interested to join our patrol team please contact Brad Coleman (patrol@hlsc.org.au) or myself (president@hlsc.org.au) or 0412 201 152.

Our patrol season starts on the 26th November - we will also be holding our 'Open Day Family Feast' (see below for more info), please come down to the club and catch up with other members.

See you all at the beach.
Darren

Membership Report

Again this month we have attached the membership application form – we have not had many returned so far. Can all members please complete and return the forms as a matter of URGENCY.

I am sure most of you are aware about the issues with Public liability Insurance. It is imperative that all members return their forms immediately.

If you need more forms please visit the club web-site www.hlsc.org.au and download a form or contact membership@hlsc.org.au

Open Day Family Feast

To coincide with the Club Open Day on Saturday 26th November we will be holding our first social event of the season with a BBQ on the Balcony.

Commencing at 6pm we invite new and old club members and guests to attend.

All food will be supplied at a cost of \$10 adult, \$5.00 Under 15 and \$25 for a Family of four. **Please note: BYO drinks for adults and kids.**

PLEASE ALSO NOTE – we hate to turn people away so for the purpose of catering it is **ESSENTIAL** that you RSVP to Donna by no later that Thursday 24th November on 9530 5503 or radmaloney@hotmail.com

Unfortunately NO RSVP = NO FOOD.

Training

Requalification dates - For those members who were not able to attend the Hampton Requal on Saturday 12th November - the following is a list of alternate dates and locations

BLACK ROCK	SATURDAY	19-NOV	9:30 AM
HALF MOON BAY	SATURDAY	10-DEC	9:30 AM
BEAUMARIS	SUNDAY	11-DEC	9:30 AM
HAMPTON	MONDAY	12-DEC	6:00 PM

It is imperative that you let Darren 0412 201 152 (president@hlsc.org.au) know if you are going to attend any of the above requals.

Nipper News

The season is just around the corner and many people are already enquiring about the Nippers program for 2005-2006.

Registration for members and new families wishing to join will be on **Sat 26th November from 3pm - 4.30pm**

You can obtain a registration form by downloading it from the web site or come down and fill it out on the day.

The actual Nipper Program will commence the following week Sat 3rd December, Registration at 2:30pm with a 3pm (sharp) start.

With the increasing numbers of participants at Nippers we would love to have a few more parents help out with the program. There are no formal requirements to help out in any of the beach activities so if you are interested could you please email Anna Harding (Nippers Co ordinator) at ghands@bigpond.net.au. Anyone wishing to help in the water must complete a water safety course that the club will run free of charge for you.

Junior Carnival - November 27th at Mentone Beach

There is a junior carnival on the above date and I would love to get some Nipper participants to this event. I am especially keen to have teams for the various age groups.

If you are interested in attending can you please email Anna at ghands@bigpond.net.au ASAP.

The only requirement for this day is that the child has their surf badge. Last season's is still valid for this event. They must also wear the Hampton LSC swim caps. It usually starts around 9am and finishes around 1pm. I will email all those attending with all the info in the next week or so.

Volunteering Assistance Form

Thank you for applying or renewing your membership with Hampton Life Saving Club; we trust that you will gain many benefits from your membership.

As a voluntary organisation, we rely heavily on the support and involvement of our members. We ask that you help to contribute to the ongoing survival of the club by participating in one of the activities that we run. Whilst most assistance is sought for life saving patrols, there are many other areas that you can get involved.

Please help us by completing this form and returning it with your membership form. Once the form is processed, you will be contacted by the relevant area co-ordinator.

I AM INTERESTED IN PARTICIPATING IN THE FOLLOWING AREAS			
(See brief description below).			
LIFE SAVING PATROLS	<input type="checkbox"/>	COMPETITION	<input type="checkbox"/>
JUNIOR TRAINING - SUMMER	<input type="checkbox"/>	SOCIAL COMMITTEE	<input type="checkbox"/>
JUNIOR TRAINING - WINTER	<input type="checkbox"/>	BARBECUE	<input type="checkbox"/>
JUNIOR BEACH TRAINING	<input type="checkbox"/>	SPECIALIST SKILLS (Please specify below)	<input type="checkbox"/>
WINTER POOL TRAINING	<input type="checkbox"/>	_____	

LIFE SAVING PATROLS

Becoming a volunteer Life Saver involves learning the skills needed to offer first aid and to perform rescues using a board, tube or boat; but more importantly, you will learn teamwork. You do not have to participate in 'water activities' – you can specialise in advanced resuscitation, first aid or radio communication, all essential parts of the Life Saving Team. Once you are qualified, you are allocated to a patrol team, and you are rostered to patrol throughout the summer season. The season is from the end of November until Easter Monday, on Saturdays, Sundays and Public Holidays.

JUNIOR TRAINING – SUMMER and WINTER

Juniors / Nippers are divided into their respective age groups, requiring a minimum of two trainers per group. We team trainers up; so those with less life saving experience are placed with someone more experienced. This gives the trainers the opportunity to develop their skills whilst coaching the nippers.

JUNIOR BEACH TRAINING

Junior beach training, for children aged between 6 and 12 years, is held Saturday afternoon throughout the patrol season. There are plenty of fun activities arranged including basic life saving skills, aquatic safety, beach sprints and board paddling. (Registration commences at 3:15 pm – Training commences at 3:30 pm SHARP).

WINTER POOL TRAINING – ALL AGES

We offer training and testing for the Life Saving award scheme, which gives participants the necessary qualifications to compete. There are a number of indoor swimming pool carnivals conducted for all age groups over the winter period.

COMPETITION

Life Saving competition is open to all qualified members, and includes events such as swimming, ski and board paddling, beach sprints relays and flags. Competitions are held in age groups 7 to under 14 years; under 16; under 19; open and masters age groups. As a competitor you have the opportunity to compete at a club, state or national level.

SOCIAL COMMITTEE

Hampton Life Saving Club provides many social opportunities. Assistance in developing new ideas, more importantly assistance in running organised events is always sought

BARBECUE

A barbeque for members is held Saturday afternoon during the patrol season. Volunteers are needed to set up, cook and pack up.

SPECIALIST SKILLS

In an effort to keep costs to a minimum, members are often willing to offer their specialist skills that the club can call on if required (eg. Electrician/plumber).

Thank you for taking the time to complete this form, we appreciate your assistance in making Hampton Life Saving Club an on going success. Please return this form, along with your Membership form to:
