**ON PATROL**

Jan/Feb 2006

## **From our president – Darren McLeod**

Welcome to the February 2006 edition of the Hampton Newsletter. There are lots of things happening around the club in the next couple of months so read on and enjoy !!!

Look forward to seeing you all at the club.

## **BROWN COW POINT TO POINT SWIM Monday 13th MARCH 2006 (Flyer attached)**

We are pleased to advise Brown Cow Café and Bar have again come on board as 'Naming Rights' sponsor for our swim – BROWN COW POINT TO POINT SWIM – for those that don't know they are located on the corner of Hampton and Small Streets. So if you are passing, please stop in for some fine food, coffee and cake or what ever takes your fancy!!!

A reminder to all members - your assistance will be required on **MONDAY 13th MARCH** (Labour Day long week end). We will require assistance in all areas including Nipper activities, crowd control, logistics and water safety (all patrolling members will be contacted and rostered to a specific area).

A sheet will be placed on the club notice board, please put your name and contact details on there – or send me an email [president@hlsc.org.au](mailto:president@hlsc.org.au)

On the day we will have a children's jumping castle, Nipper based games and a sand castle building competition on the Hampton beach during the swim day – these events will be sponsored by many of the Hampton Street traders.

There will again be the **BARLOWORLD** beach-golf Hole-In-One being played during the day next to the Club. You will tee off from the beach and try to land a 'Hole-In-One' - but this year the 'Green' will not be a floating pontoon, it will be on the land – so you'll have a better chance to win the \$60,000 Mercedes-Benz !!!!!

All these events are combined with the Bayside City Council "Bright 'n' Sandy Festival" which includes a Top of the Bay Regatta, Wine and Food festival at Green Point.

The aim is for all events to work together to attract more visitors to Bayside, and hopefully more people to enter the swim.

**Please put this date in your dairies – WE WILL NEED EVERY MEMBER'S HELP ON THE DAY.**

### **\*\*IMPORTANT \*\***

On the 1<sup>st</sup> JUNE 2006 the security alarm at the club will have all of the entry codes deleted. If you have a key and required a **NEW** code (no existing codes will be reused) you **MUST** contact me (preferably in writing [president@hlsc.org.au](mailto:president@hlsc.org.au)) prior to this date to ensure you can continue to have access to the club.

## **Membership – reminder**

Please note there are number of **NON FINANCIAL** members using the club. **YOUR** subscriptions are due and payable by the 31<sup>st</sup> of December each year – please complete and return your membership form immediately.

If you have any doubt whether you have paid your fees, please don't hesitate to call or send me an email. **NOTE** if you are not a financial member of the Life Saving Club, you are not covered by our insurance policies.

If you do not have a form please go to the Club website [www.hlsc.org.au](http://www.hlsc.org.au) and download one or send me an email [membership@hlsc.org.au](mailto:membership@hlsc.org.au)

**For those who have returned Membership forms but have found their cheques have not yet cleared or Credit Card payments have not yet been processed our Treasurer is now back from holidays (what - a life outside HLSC?) and processing will be completed shortly.**

Thanks

Darren

We have had a fantastic summer so far, the weather has been great and attendances have been soaring, let's hope it continues that way for us all season.

Just some dates to keep in mind for the coming month.

**February 18th** Carnival Williamstown - 9 am start (runs approx 4 - 5 hours)  
If you plan to attend your child must have a **current "S" badge** and you must let me know by **Feb 11<sup>th</sup>**.  
**All families attending will have a small duty allocated to them during the day.**

**TBA** Nipper Club Championships (series 3)

Presentation day for Nippers will be held the last day of the Nipper program. All medals will be awarded before we start the day's events.

- James Coley's attempt at IRB roll overs.

## **Brown Cow Point to Point Swim – further info**

Further to the president's earlier report, with 250 competitors expected to compete in this year's Brown Cow Point to Point Swim on Monday 13 March, we will require assistance from all our club members.

James Costa and I will be contacting all our qualified members within the next week to confirm your availability for the event.

Club members will be required from early Monday morning to set up and for the duration of the event, assisting with water safety either from the beach, on the rock groynes or on rescue boards. We may also take this time to discuss with you the patrol roster for the remainder of the season.

Thanks, Bree Ambrey and James Costa

Greatly Appreciated.
