

From our president – Darren McLeod

Welcome to the October Newsletter, The Life Saving season is now just a month away - the Club is getting into full swing - there is a lot happening, please keep an eye on the Club website and Newsletters for the latest information.

I know I keep repeating myself but, we are asking all our members to help out in any way possible - if you are keen and willing to assist, please let us know !!

Without assistance from our membership the club would cease to exist.

Your Help is Needed!!!

Darren McLeod

Patrol Members Survey

Recently the Hampton Committee undertook a survey of the Club Patrol Members looking at needs, recruitment and retention, for those that participated in the survey, we thank you for your time and information. Whilst all specific responses will remain confidential we will, in the coming weeks, collate the information and disseminate to all members. We are pleased to say that the committee have already commenced work on some of the key areas. Once again we thank you for your time.

TRAINING

Training continues on TUESDAY NIGHT at 7PM

*For those that are not aware there has been a significant change in **RESUSCITATION** this year, attached is a copy of the new flow chart. Further information can be found on the National SLSA website :-*

Club Swimming Competition

Reminder "This year the Club will be recommencing an old favorite in a Club Swimming Competition over the entire summer season. Every Saturday, commencing 25th November at 5:45 pm (straight after Nippers) the Club will hold an ocean swim. The swim will be held every week out front of the Club house over a simple course – typically an out-around-across and back to the beach event. Distances will vary but are designed to be easily completed by all – the aim is to stay fit and have some fun. For more information refer to last months "ON PATROL"

So get involved, get swimming and see you on the beach"

2006-07 NIPPER ACTIVITIES

Hi everyone

It's an exciting time with nippers just around the corner. Here are some important dates for you to jot down in your diaries.

Saturday October 21 3 – 3.30pm nipper info session followed by registration

Sunday October 29 3 – 3.30pm nipper info session followed by registration

One parent must attend one of these sessions to register their child for nippers

There is a limit of 25 kids per age group so those members who attend the meeting then sign up will be given priority.

Any members registered by mail still need to register their children on one of the above dates to ensure a place at Nippers in the child's respective age group.

There will be an Age Managers course run in November for all those parents that are going to be trainers this year. You will be given help in all aspects of nippers so running the program will be a piece of cake !!!

We will endeavour to run a Water safety officers /Surf Rescue Certificate prior to the season commencing.

All existing water safety officers MUST requal before the season as well.

The season will commence on Saturday 25th November and the new time for nippers is:-

4pm to 5pm for U6, U7 and U8

4pm to 5.30pm for U 9 and up

I hope to run Series 1 of the 3 club carnivals on Saturday 16th December for those of you that really want to plan ahead.

DONATIONS

Do any families have old or too small flippers, goggles, table tennis bats, tennis rackets or other unusual dress ups etc that could be used for games on the beach by Under 6 and Under 7 nippers? If you have and you would like to donate them to the club could please bring them along to nipper registration day, I would be extremely grateful.

Thank you for applying or renewing your membership with Hampton Life Saving Club; we trust that you will gain many benefits from your membership.

As a voluntary organisation, we rely heavily on the support and involvement of our members. We require you to help to contribute to the ongoing survival of the club by participating in one of the activities that we run. Whilst most assistance is sought for our life saving patrols, there are many other areas that you can get involved particularly the nipper program – YOU will be approached by one of our area co-ordinators.

In an effort to keep our operational costs to a minimum, members are often willing to offer their specialist skills that the club can call on if required (eg. Electrician/plumber), please indicate your skill, if you are willing to assist if required.

Thank you for taking the time to complete this form, we appreciate your assistance in making Hampton Life Saving Club an on going success. Please return this form and payment to:
