NIPPER NEWS

Hi everyone

What a busy start to the season !!! I'd just like to thank all the parents who came to the two Nipper Registration days. **(Some parents neglected to sign up for duties and will have to do so at the start of the season. All families are required to assist with nippers except age group managers)**

Unfortunately, due to the increasing popularity of our program the following age groups are now **full** Under 6, Under 7, Under 8, Under 9 and Under 10. If you have sent in your registration but did not attend the parent info session your child/ren will not be able to do nippers this year. The dates for nipper registration were in both the Sept and Oct newsletters, were mailed out and emailed to ALL members. I am truly sorry if you have missed out but our numbers are restricted as in any sports. There are still places in the older age groups.

We have problems with the Under 7 and Under 9 age groups at the moment. We have two groups in each age group but only one person has volunteered as an Age Group Manager. If we do not get more parents to step up and take on this role the kids will be put into a ballot and 20 will be selected to be in that group so if there are any parents who may reconsider please contact me ASAP. Some kids will miss out. (Registration will be refunded for those that miss out)

Important dates

Any interested parents that may want to help as Age Group Manager's even a few times are urged to come to this course, just let me know ASAP.
