

From our president – Darren McLeod

Welcome to the March - April edition of 'On Patrol'

BUXTON POINT 2 POINT SWIM 2007.

To each and every member who assisted with water safety, lunch making, first aid, timing and kiosk on the day - the Rotary Club of Sandringham and the Hampton Swim committee sincerely **THANK YOU** for your help and support, without your help we could not have conducted this event so successfully again this year.

We had just under 250 entrants on the day, this is a 10% increase on last year, although a little lower than hoped still **a fantastic result**.

BUXTON POINT 2 POINT SWIM 2008 will be held on 1st MARCH 2008

As the patrolling season draws to a close I like to thank EACH of the patrolling members and active members for all the work during the season.

Although the patrolling season has almost concluded ... The Life Saving Club continues in one form or another ... Social events, Pool carnivals, Swim training to name just a few. Please keep an eye on the newsletter/s and club website for more details

Again, thank you, one and all for a great 2006-07 season.

Darren

Barefoot and Black Time Social function 21st April 2007

Dear All,

Apart from a small number, we have not received many RSVP's for the Barefoot and Black Tie function on 21 April. This function is to celebrate the end of the season. I have booked a caterer for this function (someone with a close association with the club – Kate Broadhurst) and we are hoping to get between 80-100 people. Understandably, her price increases per head with less people attending – and it is not worth holding the function without a minimum of 50 people. If you intend on coming can you please RSVP to Helen Barnes – helenanddavid1@optusnet.com.au – as soon as possible – providing the names of all people attending (so name tags can be produced). Guests are welcome.

** Flyer attached **

Helen Barnes

Nipper News

Hi everyone,

With the growth in popularity of the nipper program this year has seen the clubs biggest group of nippers and I feel that we have had a very successful season. The introduction of caps for the various age groups has helped identify where the kids are at all times and has made finding the age groups very easy. Also the introduction of parent helpers has made life easier for everyone and has been successful 99% of the time.

I would again like to thank the age group managers and water safety officers who gave up their time and actively involved themselves in the club. I think when you step up and do these things the rewards are tremendous. Your own children love having you involved and the all the other nippers reap the benefits as well.

For any of you that missed the presentation day here are the winners of the various age groups.

Under 6	Boys	Girls
1st	Joshua Le grice	Emily Mack
2nd	Will Brydon-Waldron	Zoe Duggan
3rd	William Footnre	Paris Kay
Under 7		
1st	Cameron Lewis	Eliza Scull
2nd	Lucas Rupp	Annabelle Eastman
3rd	Thomas Logan / Jesse Tammesild	Alida Fullagar
Under 8		
1st	Dylan Kay	Lara Laverty
2nd	Jack Palmer	Kayla Elliot
3rd	Sean Bourke	Isabella Shaw

1st	Trent Harding	Emily Findeison
2nd	Aiden Watson	LIsabella Nikodemski
3rd		Courtenay Wood
Under 13		
1st		Christina Kuklych
2nd		Madeline Walsh
3rd		

As I mentioned, I am resigning as Nipper Coordinator and this is my last official duty. I would like to thank all the people that have come on board and helped me out over the last four years. I have certainly loved doing this job but feel it is time for me to look at new areas within the club that may benefit from my involvement. I will still be down there every week next season but just as a parent helping out

I just have one last plug to put in (as usual).....if any of you want to give a bit to the club next season and do your bit for the local community think about becoming an active member and maybe do a patrol or two for the club. All you need to do is complete your bronze medallion and we can all do our bit, get to know each other better while patrolling and have some fun while we are at it !!)

See you on the beach

Anna
Nipper Coordinator

Dunkirk Evacuation Re-enactment 25-April-2007

Hampton Beach on ANZAC DAY 2007 1PM to 5PM.

Activities will include :

- 200 yachts and motor boats involved – 100 evacuees
- fly-overs by RAAF aircraft
- fly-overs of other vintage aircraft
- fly-over by Royal Victoria Aero Club formation flying team
- low level flare, smoke and percussion display by Sandringham Army Reserve
- Static Display of military vehicles and equipment
- Live Broadcast and commentary by 88.3 FM

Come down to Hampton beach on Anzac day and watch the activities unfold.

SHOULD YOU WISH TO PARTICIPATE IN THE “EVACUATION” (yes you’ll get wet)
PLEASE LET ME KNOW president@hlsc.org.au or 0412 201152

oooooOooooOooooo

Human Sign 22-April- 2007

WE WANT YOUR BODY!!!

Sunday, 22 April 2007
10:00 AM

Sandringham Beach (Life Saving Club)

Volunteers are needed to create a “Human Sign”. We need over 3,000 people to form our message “**HALT CLIMATE CHANGE NOW!**” for an aerial photograph. Bring your family and friends for this fun event to raise awareness about global warming and promote sustainability. The Bayside Sustainable Living Expo will also be held on the day.

Sporting clubs and school groups can come in uniform and may be grouped together (Dark-coloured clothing shows up best). Bring enough people, and you may even be allocated your own letter! If you’re concerned about climate change, then join us to make your concerns known.

PLEASE HELP TO MAKE THIS A CAR FREE EVENT!

We encourage people to ride their bikes and to use public transport for this event. Please don’t be late. BYO water, sunscreen, hats, umbrellas, etc. We will do this rain or shine!

Helen Barnes will be the HLSC contact point on the day - Mob: 0407 412 465
