How to sign up for HLSC training

Life Saving
HAMPTON
CLUB

Steps

1. Get your Unique Student Identifier (if needed for an accredited course)

2. Sign into your SLS Hub account

3. Enrol in your preferred course

4. Complete online learning

5. Attend face-to-face training

💻 Disable pop-up and content blockers for online learning. SLSA training tends to work best in Chrome and Firefox.
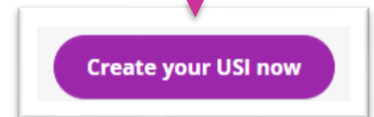

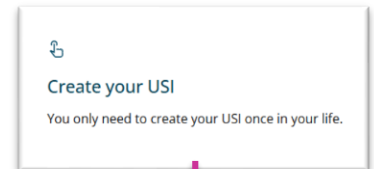

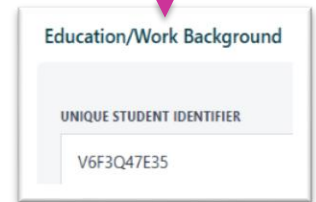

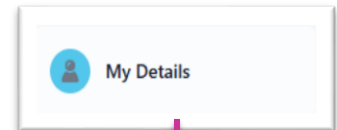

1. Get your USI

Most bronze, surf rescue certificates, and other SLS courses do not require a Unique Student Identifier, so skip to step 2. You may need it for an accredited course such as 'Provide CPR HLTAID001.'

Already have a USI? You can find it in your SLS member training account under My Details, at the bottom of the page.

Need a USI? Go to: https://www.usi.gov.au/students
- Have an ID ready
- Select: Create your USI
- Select: Create your USI now
- Follow the instructions; they will send codes to email and mobile
- Your USI will be in the Success message
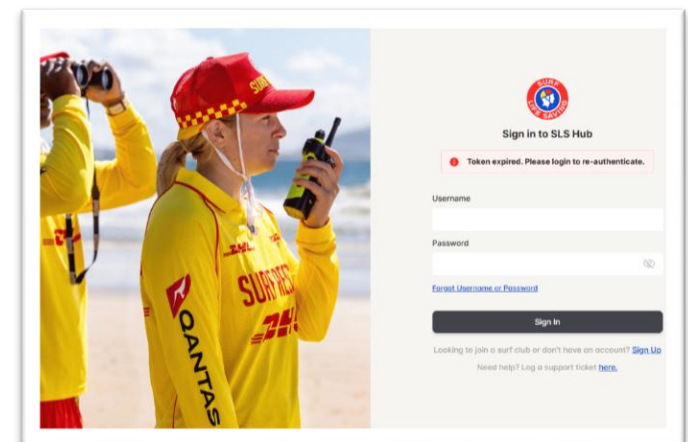

2. Sign into your SLS Hub account

Go to: https://hub.sls.com.au/

First lifesaving course or new SLS Hub account?

If you are not the parent/member who signed your family up with HLSC, your email may not be in the SLS system.

- Email secretary@hlsc.org.au and membership@hlsc.org.au with your name and the email you would like to use to sign in

- This may take a few days, as we are all volunteers, so please don't leave it until the last minute

- Reach out with any issues so we can troubleshoot

If you already have any quals and an SLS account, let us know if you have any trouble signing into the SLS Hub.
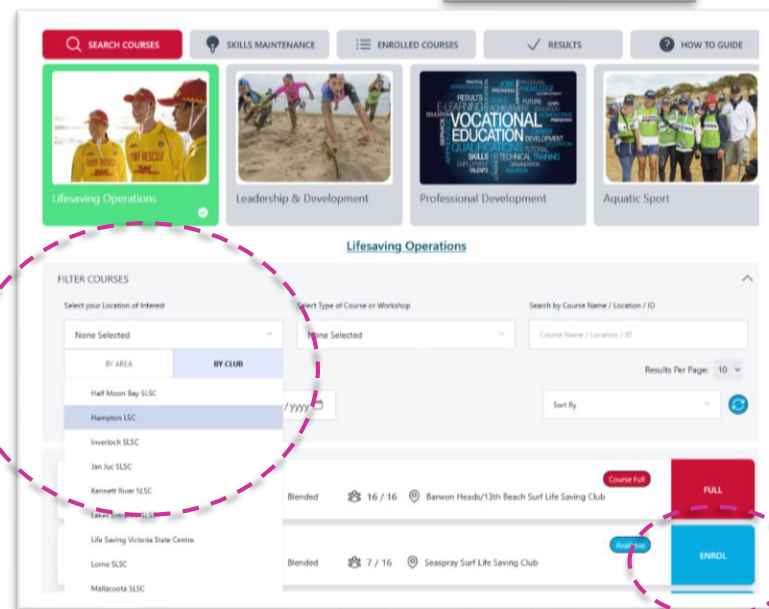

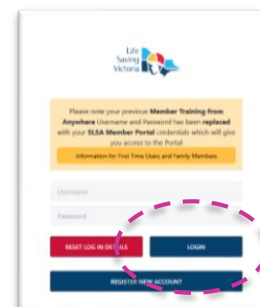

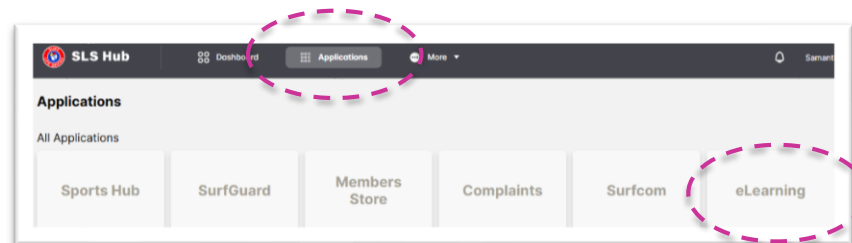

3. Enrol in your preferred course

Sign into hub.sls.com.au

Select 'Applications' and 'eLearning'

Agree to proceed to eLearning

Sign into LSV with the same login and password

Look under 'Lifesaving Operations'

Tap 'Filter Courses' and 'By Club' to find Hampton
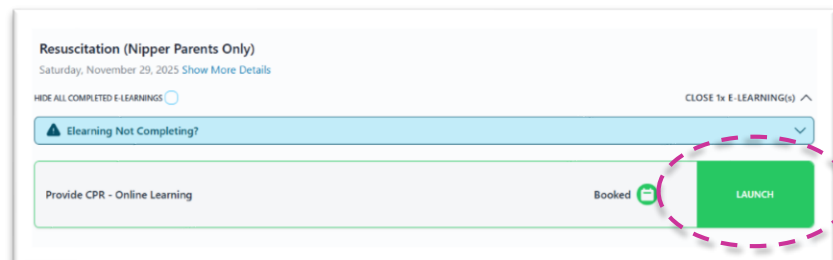

Find your course and click 'Enrol'

4. Complete online learning
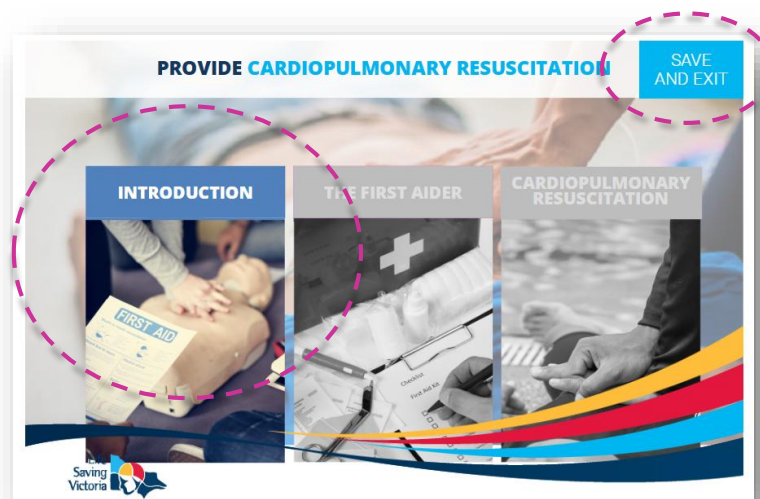

Select 'Enrolled Courses'

Find your course and select 'Launch'

Make sure pop-up and content blockers are off

Complete all the modules in your course

Be sure to select 'Save and Exit' so your training will be recorded

5. Attend face-to-face training

The training team will reach out with additional details.

Any questions, reach out to training@hlsc.org.au
